September 30, 2016

Thank you for all of your help, & for celebrating with us at St. Patrick School's Annual Family Picnic.

Decade of the Rosary: October is the month of the rosary and each morning for the month of October we say a decade of the Rosary for world peace. During this time, we meditate on the **Joyful Mysteries**, the **Sorrowful Mysteries**, the **Glorious Mysteries**, and the **Luminous Mysteries**. Every student will be given rosary beads next week.

Exciting New Computer Programming: As part of the STEM (*Science, Technology, Engineering, & Math*) initiatives, MIT has developed a new program called "**SCRATCH**", which is an innovative gaming software application. This program is being brought to St. Patrick School. Our students will be learning computerized Robotics and Coding to create video games. We hope to begin the SCRATCH curriculum over the next month or so. We will bring you more information about this exciting opportunity as it become available!!

OCTOBER IMPORTANT DATES
