**2. Extended Day Program:** Our grade 7 and 8 students are enjoying their "Extended Day" program, which runs from Monday through Thursday until 4:00 pm. Students do their homework during this time, and on Tuesday, some participate in Cooking Class. This has been a very positive experience for our Middle School students!

**3. Urban Improv:** Over the next several weeks, our grade 4 and 8 students will participate in Urban Improv. Urban Improv is an interactive program for young people, which uses improvisational theater workshops to teach violence prevention, conflict resolution, and decision-making. The program's innovative curriculum helps students deal creatively with major issues in their lives. It is truly a rehearsal for life. This is an exciting program held at Vine Street Community Center. Find more info at:
