

**St. Patrick School
Summer Reading
For Incoming
1st Graders
2016-2017**

Dear Parents,

In order to keep reading and comprehension skills developing over the summer, summer reading is recommended for all students. Attached please find, **Summer Reading List, Reading Log, Book Reports** and **Sight Word List**.

First grade students are assessed on sight words at the beginning of the year and at the end of each quarter using the sight word list provided.

The **required reading** will consist of **any 4 books** from the list and **completion** of **4 book reports** for each book read. Completed book reports will be due the second week in **September**.

**Reading is just like any other skill we strive to improve, the more you practice, the better you become. Don't forget that modeling good reading practices speaks louder than just telling your child they should read. Remember that reading at least 15 minutes daily increases vocabulary, comprehension and background knowledge.*

If you have any questions, please do not hesitate to email at reverack@yahoo.com

Have a Great Summer!
