Uniform Code Violation Policy

We would like to thank the majority of parents who send their children to school in the proper uniforms. Unfortunately it has become necessary to institute a **“Uniform Code Violation” Policy**. Uniform Requirements were mailed home in the summer and are included in our Parent/Student Handbook. If you are unclear about the correct uniform please request a copy of the Uniform Code from the office.

Beginning on Monday, October 20, 2014 any child who is not in the complete appropriate uniform will receive a “Uniform Code Violation” slip which will need to be signed by the parent/guardian and returned to school the next day. The following consequences will be enforced:

- | | |
|-------------------------------|---|
| 1st Offense | Student must come to the office to call parent
To report the violation. |
| 2nd Offense | (Lower Grades – No Recess)
(Upper Grades – Lunch Detention) |
| 3rd Offense | Parents will need to come to school that day to
bring the child the correct uniform to change into. |
